**(FINANCIAL FORM FOR GHIDOTTI SCHOLARSHIP APPLICANTS ONLY)**

The Ghidotti Foundation is most reluctant to request detailed financial information from our scholarship applicants and their families; however, the terms of the trust under which we operate mandate that financial need for scholarships be established. The information we are seeking is modeled after the financial disclosure most major universities require of their scholarship applicants.

It is required that the student applicant and **his/her father and mother and his/her stepfather or stepmother** with whom the applicant resides, fill out the financial information below and **ATTACH A COPY OF THE FIRST TWO PAGES OF THE LAST FILED FORM 1040 (U.S. INDIVIDUAL INCOME TAX RETURN)\*\*FROM EACH PARENT AND, IN ADDITION, FROM EACH STEPPARENT WITH WHOM THE APPLICANT RESIDES.**

The rising cost of education has broadened our interpretation of need, so that scholarships are available to both low and middle income families.

All financial information is received, reviewed and disposed of in the strictest of confidence.
