

What is the SAR?

The SAR is a historical, educational, and patriotic non-profit, United States 501(c) 3, corporation that seeks to maintain and extend:

- the institutions of American freedom
- an appreciation for true patriotism
- a respect for our national symbols
- the value of American citizenship
- the unifying force of e pluribus unum that has created, from the people of many nations, one nation and one people.

We do this by perpetuating the stories of patriotism, courage, sacrifice, tragedy, and triumph of those who achieved the independence of the American people in the belief that these stories are universal ones of man's eternal struggle against tyranny, relevant to all time, and will inspire and strengthen each succeeding generation as it too is called upon to defend our freedoms on the battlefield and in our public institutions.

WHO CAN JOIN?

The SAR is a "lineage" society. This means that each member has traced their family tree back to a point of having an ancestor who supported the cause of American Independence during the years 1774-1783.

DO YOU HAVE A PATRIOT ANCESTOR?

If you already know that you have such an ancestor, then you may want to continue on to our "Why We Join" page or even go straight to our "Where to Start" page.

If you aren't sure whether any of your ancestors lived in the United States during the Revolution, don't lose heart. Many people who never set foot in the United States supported the American colonists struggle against British domination -- for example the king of Spain. Many patriots or their descendants moved to foreign lands and their descendants moved back later, not knowing their ancestors were here before. Many French, German, and Spanish soldiers and sailors fought in support of American independence and returned home without making their descendants aware of their participation in gaining American independence.
